

HAVASU FALLS ULTIMATE PACKING LIST

This may seem like a long list, but one person did not have every item in their pack. Items like a tent, water filter, meal prep stuff, or even toiletries can be spread between the people on the hike as needed. However, try to keep your pack under 25lbs. Your body will thank you.

HIKING

- Map/GPS/Compass
- Permit/reservation information
- Cash for Supai
- 2 Liter hydration bladder
- Trekking pole (if needed)
